Informations concerning tournament's places

Bailly Romainvilliers, Magny le Hongre, Serris Couprevai and S. Germain, are five small villages, upraised during last years in the countryside, around Disneyland Resort Paris.

These villages are located 30 km. away from Paris to which they are linked by subway (R.E.R) by bus and by motorway (Paris-Metz)

In order to limit the costs, we've chosen to lodge participants in hotels recently built with modern concepts that we consider particularly suitable for the kind of service necessary for this occasion. There are two categories of hotels: A and B.

- Category A: rooms are furnished with a double-bed and a single-bed attached to the wall (like a camp-bed); they are equipped with shower box, water closet, wash-basin and a television. There are no wardrobe and telephone in the rooms.

In order to make easier transit to and from the sport-halls these hotels are all located in the south/south-east area of Paris.

- Category B: rooms are furnished with a double-bed and a single-bed attached to the wall (like a camp-bed). They are equipped with a wash-basin and a television. Showers and water closets are on the corridor, in co-use with the other lodgers of the floor. There are no wardrobe and telephone in the rooms. These hotels are placed in the south-east area of Paris but not close to the underground station. That's why we suggest to come here with a bus of your own.

P.S. In order to allow a good and effective organization we invite all the ones who are going to participate to inform in advance (without any obligation) Akena.
